

# Short Course Yards 2021 Top Ten

*Published August 2021*

The 2020-2021 Short Course Yard Top Ten is the first issue in a series of three 2021 Top Ten issues produced by United States Masters Swimming. Inside you will find the Top Ten Times for the 2020 – 2021 Short Course Yard season (swims performed in a 25 yard pool) made on or before May 31, 2021 and forwarded to the National Swims Administrator, Mary Beth Windrath, by June 30th, 2021. Each LMSC is responsible for reporting the Top Ten Times, USMS national records, and world records achieved in its LMSC.

The first line under each event (which is indented) is the current national record for that event and age group. An “NV” after a top ten time indicates that appropriate documentation has not yet been supplied and the time is Not Verified as a record.

This course was affected by the Covid 19 pandemic which limited the number of meets.

### Top Ten Patches

Each person (individuals and relay members) on this list is eligible to purchase a Top Ten Patch with stroke segment. To order: Make checks payable to Lake Erie LMSC. Go to [http://www.usms.org/comp/tt/tt\\_patch\\_for\\_m.pdf](http://www.usms.org/comp/tt/tt_patch_for_m.pdf), print and complete the order form and send your information to:

### All American Patches and Certificates

Once the SCM Top Ten is *finalized*, the official 2021 All American Roster will be produced. A swimmer/relay who has the Top Ten time in one or more events in any one of the three courses qualifies for All American status. Individual All Americans will be sent a congratulations letter from the USMS National Office. To order an All

American Certificate and Patch, send a check for \$5 made out to USMS to:

U.S. Masters Swimming  
Member Services  
1751 Mound Street  
Suite 201  
Sarasota, FL 34236

Those individuals performing the most first place times, in the most events, in their age group are awarded All Star status. All Stars will receive a special certificate from USMS. All American (individual) and All Star rosters will be listed on our Web site.

For more information on USMS, visit our Web Site at [www.usms.org](http://www.usms.org). There you will find everything you want to know about United States Masters Swimming, including: Administration, Coaching, Competition, Fitness, Merchandise, Places to Swim, Training, the World of Swimming and links to USMS Top-Ten, USMS and FINA World Records.

A big thank you goes out to: LMSC Top Ten Recorders who are all dedicated volunteers who spend countless hours at their computers on our behalf, Mary Beth Windrath and the members of the Records & Tabulations Committee for the work you do in pulling all this information together and Walt Reid for his many years of service in records tabulation.

*Happy Swimming!*
