USMS Committee Request Form

Everyone should fill out this form!

Please indicate below which committees you serve on and would like to serve on. Please feel free to list two or three committees. We will make every attempt to ensure that everyone who submits a form will be assigned to one committee; some will be assigned to two because of their expertise, committee geographical restrictions or other need. Every effort will be made to appoint you to your first choice, but that may not be possible in all cases. Committee membership does not require you to attend the USMS convention. It does, however, come with an expectation that you will participate in the committee's work during the year, including responding to communications (email, conference call, etc.) and volunteering for projects when requested by the committee chair.
