PARA (Patches, All American, Records, Awards) – Jim Davidson Documents

and Procedures – Nicki Phillips

Old Business

Announce on bid form: OWNC surcharge per swimmer increased to \$8. Catherine would like to review Neoprene cap rules

New Business

Open Water National championships.

We need event liaisons and assistant liaisons for the Medford 10K marathon swim in July, and Nicki's race later in July. The Hobbs Island Swim conflicts the Bridges to Bluffs and we need to explore alternative options for the Tennessee Triple Crown series.

2026 goals included developing weekend festivals that offer differing lengths and adding one mile open water national championships across the country.
