The 2001 Short Course Meters Top Ten is the third issue in a series of three 2001 Top Ten issues produced by United States Masters Swimming. Inside you will find the Top Ten Times for the 2001 Short Course Meter season (swims performed in a 25 meter pool) made on or before December 31, 2001 and forwarded to the Records and Tabulation Chairman, Pieter Cath, by January 26, 2002. Each LMSC is responsible for reporting the Top Ten Times, USMS national records, and world records achieved in its LMSC.

The first line under each event (which is indented) is the current national record for that event and age group. An "NV" after a top ten time indicates that appropriate documentation has not yet been supplied and the time is Not Verified as a record.

Each person (individuals and relay members) on this list is eligible to purchase a Top Ten Patch with stroke segment. **The new person to send your order to is Thomas Gorman. Send \$5 to Thomas at 3369 Desota Avenue, Cleveland Heights, OH 44118, e-mail [trgorman@att.net](mailto:trgorman@att.net).** Add \$1.25 for each additional stroke segment desired.

The first issue in the 2002 series will be 2001-2002 Short Course Yards (swims performed in a 25 yard pool). Times and records considered for this Top Ten list must be made on or before May 31, 2002 and reported to the Top Ten Chairman by June 30th.

The 2002 Long Course Meters (swims performed in a 50 meter pool) list is the second issue in this series of Top Tens. Times and records considered for this Top Ten list must be made on or before September 30, 2002 and reported to the Top Ten Chairman by October 20th.

Now that the SCM Top Ten is *finalized*, the official 2001 All American Roster will be produced. A swimmer/relay who has the **fastest** time in one or more event(s) in any one of the three courses qualifies for All American status. To order an All American Certificate and Patch, send a check for \$5 made out to USMS to: USMS National Office, P.O. Box 185, Londonderry, NH 03053-0185.

Those individuals performing the most first place times, in the most events, in their age group are awarded All Star status. All Stars will receive an All Star Certificate from the National Office. All American (individual) and All Star rosters will appear in the May/June issue of SWIM Magazine.

The USMS All Time Top Ten is available in all three courses. This publication lists the top ten fastest times recorded over the years in each age group and each event. The cost is \$4 for one course, \$3 for the second or \$10 for all three. To order, make check payable to Suzanne Rague and send to her at: 935 NW 170th Place, Beaverton, OR 97006-4831.

Masters Swimming World Top Ten Tabulation is a yearly publication produced by FINA. To order, make check payable to FINA for \$7 and send to them at: FINA, Avenue de l'Avant Post 4, 1005 Lausanne - Switzerland.

For more information on USMS, visit our **Web Site** at <http://www.usms.org>. There you will find everything you want to know about United States Masters Swimming, including: Administration, Coaching, Competition, Fitness, Merchandise, Places to Swim, Training, the World of Swimming and links to USMS Top-Ten, USMS and FINA World Records.

We would like to send a big THANKS out to the members of the Top Ten Committee and the LMSC Top Ten Recorders who are all dedicated volunteers who spend countless hours at their computers on our behalf.

Happy Swimming!
