

Top Ten Software

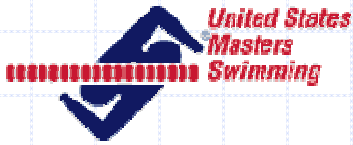

Created by Mary Beth Windrath

Process Flow

September 16, 2004

Why use Mary Beth's Software?

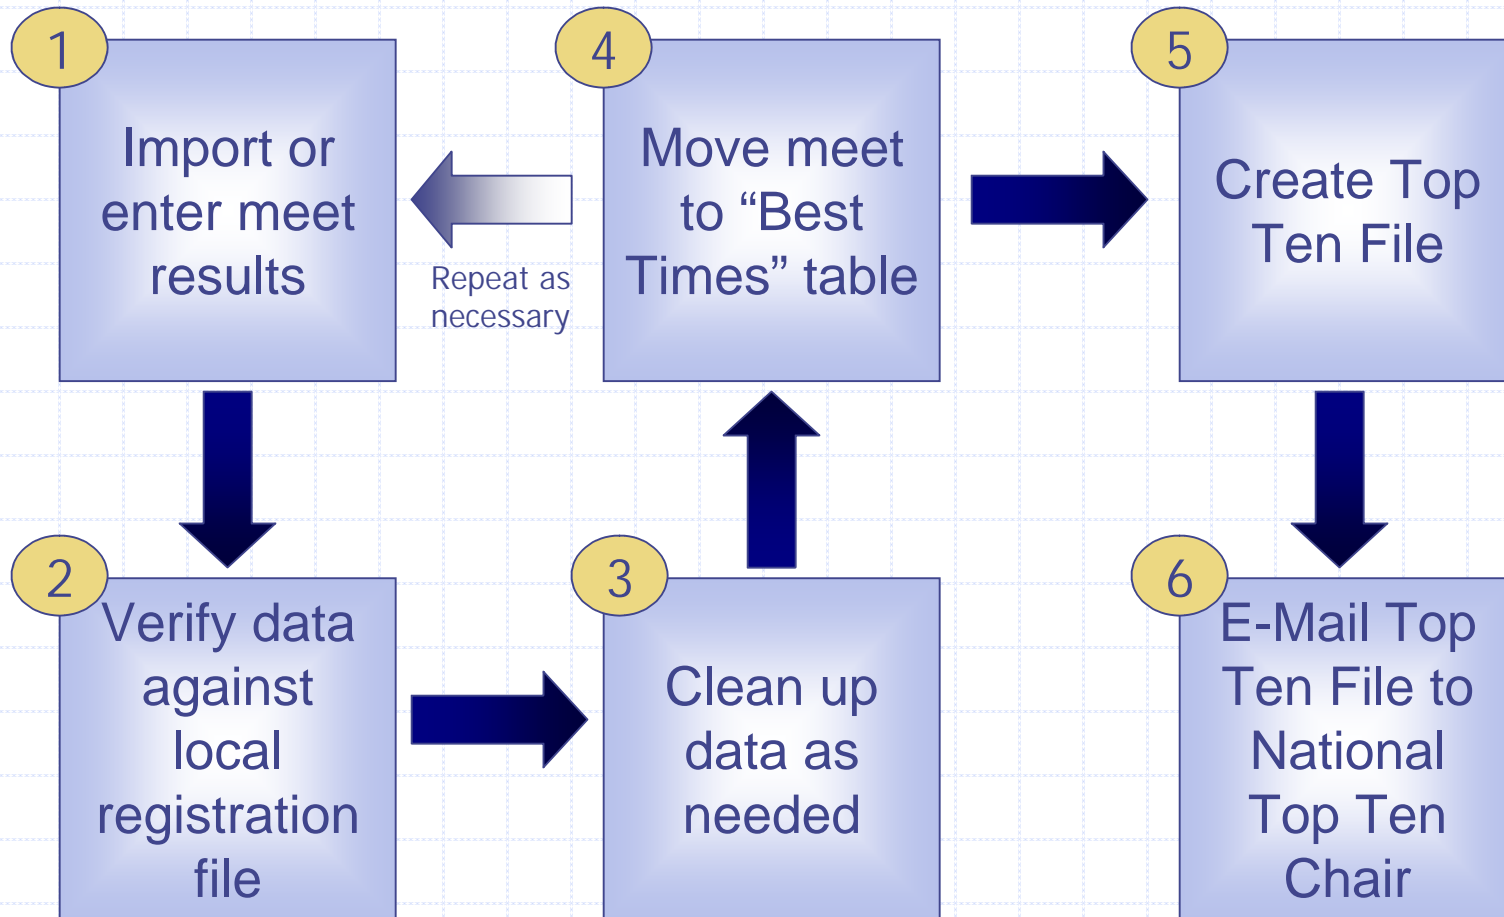

- ◆ Automate the Top Ten file creation process
- ◆ Combine multiple meets in to one file
- ◆ Verify (local) swimmer info against local registration file (RSIND.DBF)
- ◆ Append Top Ten file with splits or “one-off” swims (e.g. from USS meet)

Top Ten Software Process

“Prework”

- Create C:\SWIM folder
- Unzip software files from Mary Beth in to C:\SWIM folder
- Copy your LMSC RSIND.DBF file in to c:\SWIM folder
